- Before that, I/we were not approached, marketed to or encouraged to use Vectr by Vectr or anyone acting for it, including introducers or affiliates.
- If someone referred me/us to Vectr, they were not acting on Vectr's behalf, and the decision to apply was my/our own.
- I/we understand that my/our account is opened directly with Vectr Finance Limited, a Canadian entity, and that all services, transactions, deposits and withdrawals are provided solely by that Canadian entity and not by any other company or person in my/our home country.

What I / we understand

- **Canadian rules apply.** Vectr's services are provided under Canadian law and regulation, not the rules of my/our home country.
- **Home-country complaint routes may not apply.** Ombudsman and dispute-resolution services in my/our home country may not be available. Complaints go to Vectr at legal@vectr.finance.
- **Market and payment risk.** Exchange rates and digital asset prices can move, and payments can be delayed or blocked by banks, sanctions or compliance checks. Vectr does not give investment, tax or legal advice.
- **Local law is my/our responsibility.** I/we must make sure using Vectr is allowed in my/our home country, including any tax, reporting or exchange-control rules.
